THE 1984 ANNUAL BARTON REUNION

The Forty-fifth Annual Meeting of the Barton Reunion was held Sunday, August 12, 1984 at the Tyger Baptist Church, Tigerville, South Carolina. It was chaired by 1984 Reunion President, W. H. (Bill) Stroud, son of Thurman and Luna Stroud and nephew of the late Spurgeon Stroud, one of the founders of the Barton Reunion. Bill and his lovely wife, Dot, reside in Greenville, S.C. He welcomed the Bartons from far and near with his warm friendly manner, and Dot was there to give support, even on crutches. President-Elect, Edna Stroud, Secretary, Joan Little, Treasurer and Bulletin Editor, Thelma Stephens and Chief-of-the-Clan, Theron Barton were on hand to lend their support, also.

Committee Chairpersons and their workers were busy with their responsibilities:

Nominations — George Barton
Portfolio Custodian — Bon Barton
Registration and Hospitality — Beth Banton
Food — Gwen Barton
Music — Louise Barton

President Stroud recognized all these persons and their helpers for their excellent contributions.

After being registered by Beth Banton and her committee, the group joined the church congregation in the sanctuary for the morning service.

FORTY-FIFTH REUNION

The Barton Historical Society, Inc. held its forty-fifth Annual Meeting on Sunday, August 12, 1984 at Tyger Baptist Church, Tigerville, South Carolina. The Barton Clan met for Morning Worship with the Tyger Church Congregation at their regular Sunday Services. Rev. S. P. Hester delivered the message.

Lunch and fellowship in the Church social hall was followed by the Family business meeting in the Church auditorium.

The Business Session opened by singing of "Faith of Our Fathers" and then the Call to Order and Welcome by President Bill Stroud. Dianne Gosnell, (her grandfather is a Barton) sang a solo at this time.

The minutes of the forty-fourth reunion were read by Secretary, Joan Little. They were approved as read.

Mrs. Thelma B. Stephens, Treasurer and Bulletin Editor, reported a balance of \$782.61 in the treasury as of August 1, 1984 with \$200.00 of that balance set aside for the purchase of the new Revised Barton Blue Book by Mrs. Margaret McCabe. Thelma reported on the problems that resulted in the delay in getting the "Bulletin" printed this year and stated that it would be mailed very soon after the reunion. She asked for recommendations and guidance on the price to charge for the older copies that she still has available. After some discussion, the price was established at \$5.00 each.

Beth Banton, Registration Chairman, reported that 72 persons had registered, representing 6 states — N.C., Kentucky, Texas, Florida, Georgia and South Carolina.

At this time, President Stroud recognized the Food Chairman - Gwen Barton and the many good cooks in the Barton Family.

OLD BUSINESS

Bill Stroud thanked Lucy and Edna Stroud for their help this year as he has had health problems and could not do as much as he wanted to do. He appealed for help to continue having our Reunion Meeting - especially to the younger cousins. He reported on the correspondence from cousins who could not attend this year.

NEW BUSINESS

Recognition Chairman - Michael Barton presented 3 gifts - One each to the following:

Oldest Present - Mrs. Ada Stroud who is over 90 years old .

Traveled the longest distance - Kansas City, Missouri - Mr. & Mrs. Davis.

The youngest present - Adriane Little, age 8.

Memorial Services were then conducted by James Barton.

Dianne Gosnell sang another beautiful solo at this time.

The Nominating Committee's report was then given by George Barton which is as follows:

President 1984-1985	Edna Stroud
President Elect 1985-1986	Beth Banton
Secretary	Joan B. Little
Treasurer & Bulletin Editor	Thelma B. Stephens
Chief of the Clan	Theron Barton

These officers were elected by acclamation.

The date for the Forty-sixth Annual Reunion and meeting was scheduled for August 11, 1985.

Having no further business, the family members held hands and sang "Bless Be The Tie that Binds".

Respectfully submitted,

Joan B. Little
Secretary

NEWS BRIEFS

MRS. HELEN BRYSON writes that she has had a letter from LANE BARTON of Texas in which he says that the Bartons and Brysons are related. She says that she may have married some of her kin.

She also said that Theron and Ruth Barton came to their Barton Reunion in Brevard the third Sunday in September; that she sure enjoyed seeing them; also that she had moved since the death of her husband, the new address found in "Change of Address".

Our cousin, LOUISE BARTON HOWARD, writes to 1984 Reunion President, W. H. Stroud; "Dear Cousins, It would give me great pleasure to attend The Barton Reunion, but my physical condition does not permit me to get very far from home. With love and best wishes, Your Arkansas Cousin."

(We hope that you may be able to come to our reunion sometime).

Your editor's sister-in-law, RUTH BARTON, says that she can hardly get her husband, Theron, by a cemetery where he looks for Barton markers. On an excursion after the reunion last year this marker was located in the Mountain Grove Cemetery, Pickens, S.C.

"BAILEY BARTON

Feb. 6, 1708

Death 9 Feb. 1817

His disposition was social, noble
and generous. He was an affectionate
husband and kind father and true patriot."

(The descendants of Bailey Barton might be interested in above).

THERON BARTON, Chief of the Clan, also wanted to look up a Barton descendant he had heard knew a lot of Barton history. She was Irene Keith b. Sept. 29, 1890. She said that Early Barton, son of Bailey Barton, went to Charleston with a load of cattle and was not heard of until after the will was read and then wrote and told them he got his share before he left. Was learned he went to Georgia. She said that Bailey's home was still standing. She also said that Isaac Barton's home is close to Mt. Grove Cemetery. Mrs. Keith had the walls in her den covered with honorary citations. Her address is Mrs. George E. Keith, 204 Griffin St., Pickens, S.C. 29671.

MRS. GEORGE PERRY of Laguna Hills, Ca. writes that her husband had pneumonia and she cared for him as he didn't want to go to the hospital and that the next time, they'd have a nurse. She was hoping to go to the Tennessee Barton Reunion, where she was from. Certainly, hope you got to go, Marjorie. It is always good to hear from you.

FRANCES AND FRAT DAVIS of 905 Davis, Sulphur Springs, Texas 75482 wrote that they went to Washington to the Inauguration and experienced some cold weather for Texans; that Frances had retired and that they were really enjoying retirement, as he had retired four years ago. They forwarded some pictures they took at the Reunion which will add to the Bulletin. (The eye takes in more than the written word). Thank you so much, Frances and Frat).

WALTER HOWLAND FOLGER, son of cousin Walter and Glennie, received the M.D. degree at the University of Tennessee, Memphis, June 9. 1984.

Walter graduated "With High Honors", received the Outstanding Community Service Award, and was invited to membership in the Alpha Omega Alpha National Honor Medical Society.

Prior to his study of medicine, Walter had received the D.D.S. degree, and was an assistant professor in both the Department of Oral Surgery and the Department of Anesthesiology.

Walter is now doing his graduate work at the University of Florida, Gainesville, in the Department of Anesthesiology for the next four years.

Congratulations, Walter! (Information forwarded by his father).

MARY BARTON MANIS, 3425 Excelsior Dr., Colorado Springs, Co. 80918, writes that it is good to see her line on page 38 of 1983-84 Barton Bulletin, namely "John Barton m. Polly Earls, May 23, 1816." This was sent in by Jane F. Farmer of Sun City, Ca. from Pendleton Co. Ky. marriages, Mary would like to hear from any other Barton lines listed at the time.

MADELINE WHITFIELD said several had asked her where she got her information given in Barton Bulletin 1983-84. She gives Charles A. Barton, 512 King Edward Rd., Charlotte, N.C. 28211, as her source. (Your editor met him at another Barton Reunion some years ago in Pickins Co. S.C. I believe it was. He had retired from the F.B.I. and was really working on his family history).

M. C. BARRETT, Route 2, Box 400, Bono Ark writes: "Hope you are all well. Thanks for remembering us. Would like to see all of you. Love."

To MRS. RICHARD BARTON'S inquiry: Only one Bulletin has been published per year since funds would only support one - since 1981.

Christmas cards were greatly appreciated from MRS. HELEN BRYSON, Brevard, N.C., MISS DORIS LILES, Ft. Worth, Tx., MAE ESSE, Brighton, Ma., MRS. RICHARD BARTON, Greenfield, TN., MR. & MRS. CHARLES McBEE, La Marque, Tx., and of course, from family members.

Also for the encouraging words from GOLDINA HERREN, DORIS LILES, ANN HAYNES DILL (and for the invitation to visit), W. CLYDE BARTON, WALTER WESTON FOLGER, ELIZABETH BARTON HAGER, MRS. ERNEST BARTON, ET-ETTA MAE PARNELL, MRS. FRANK WEBSTER, MRS. RICHARD BARTON, MARY BARTON MANIS, MADELINE WHITFIELD, REGINA C. HICKS AND MRS. PEGGY CARTER, DOROTHY B. CAMP.

To MR. WALTER FOLGER'S inquiry: The BARTON BLUE BOOK which you gave to the Barton Historical Society was voted by the organization to be placed with the Chief of the Clan, who is now THERON E. BARTON of Greer, S.C. Cousin Joe Frank who was Chief of the Clan at the time has turned it over to Theron, I understand. It was marked at the time of your gift that it was donated by you to the organization. All other items which I have been given, I still have, which I use for research. I have my own copy of the BARTON BLUE BOOK.

MRS. ETTA MAE PARNELL, Box 217, Cooperas Cove, Texas 76522, wrote that her daughter was coming home from Arkansas to make ready for their 50th Golden Wedding Anniversary on January 13, 1985. *CONGRATULATIONS*, Cousin Etta Mae, and many, many more anniversaries.

To inquiry of MRS. JACK INGLIS, 607 Jersey, College Station, Texas 77840: An address for Barton Coat of Arms:

HALBERT'S
3687 Ira Road
Bath, Ohio 44210

JACK STROUD, Spartanburg, S.C. sent regrets that he was unable to be with us for the reunion as he was not well. (Think this was the first Reunion he has missed since your editor has been able to attend).

VICTOR AND VERA BARTON of Auburndale who have been to the Barton Reunion for several years report that they were back in the Mts. of N.C. again in Oct. & Nov. "We took a trip with our camping club-the **SPACE COASTERS FL-3**. There were six rigs of us and we had a time. We made the **ACRIROMA PLANTATION** just north of Valdosta, Ga; spent some time at **INDIAN SPRINGS STATE PARK**, there I went thru one of the oldest cemeteries that I have been thru in a long time. I spent almost 7 hours in it. From there we went on to **STONE MT.** for three days. Also took in the **CYCLORAMA** downtown Atlanta. If you have never seen that, you should, for it is quite a story. Believe it or not we made it to **Cleveland, Ga.** Village Plaza, where we visited the **CABBAGE PATCH HOSPITAL FOR DOLLS**. Ha/ha. From there we made it to **UNICOI STATE PARK** near Helen, Ga. 3 days there. We took in the area around there and had a big barbecue which took almost a day to cook. From there we went to **BALD MT. PARK** at Hiwasee Ga. and took in the fair at Blairsville, Ga., 15th Annual Sorghum Festival. There the gang talked me in to entering the Biscuit & Sorghum Festival Eating contest. I won Vera a shirt with 7 biscuits. The winner was 10½ biscuits - fun - we did have. From there we went on up to our place west of Murphy N.C. The gang left us there and went on their individual ways. Glad you are enjoying your retirement. And thanks for the pictures which you forwarded for the Bulletin.

Our cousin, **DORIS LILES**, had written to Margaret McCabe about the time of her death and Margaret's husband in answering it informed her (quoting) "Her heart was giving her trouble, then she came downstairs and drank a cup of coffee then went in the living room went to sleep and did not wake up". Doris says: "I was sure looking forward to one of her books but guess that will never happen now. Don't know if any of her family was helping

her with it or not. I know she had got lots of information if she could have lived to get it done. She sure had done a lot of work on it and used a lot of her time..... We are going to miss Margaret very much, for she was really interested in the Barton family".

PLEASE, PLEASE HELP!!!

MAY S. ESSE, 44 Falkland Street, Brighton, Mass. 02135, sends greetings of the season and a year of Happy Days to all the BARTON FAMILY, and sends this inquiry:

MR. FRAT E. DAVIS, 905 South Davis St., Sulphur Springs, Texas 75482, inquired if there were still held a Barton Reunion at Austin, Texas? Someone from that area please inform us.

JOHN WESLEY BARTON, 9311 Livenshire, Dalles, Texas 75238, is still hunting for William Barton's parents. William b. S.C. 1790 m. Bethonia Murphree, died after 1860 in Camp Co. Texas. (Check Chas. D. McBee's charts in Genealogy section). John says this, which may be of help to someone: "William Barton's wife's uncle, Moses Murphree is quoted in Dorcus Barton's pension application so I know there's some closeness to Benjamin". (By the way, John, hope you received your 1983-84 Barton Bulletin. You are not excommunicated!)

JOHN VINCENT, Apt. 22, 2307 E. 2nd, Bloomington, In. 47401, is seeking information of **JOSEPH BARTON**, b. circa 1770, appears 1804 Christian Co. (later Trigg Co.) Ky. MARY SAMUELS TIFFEE, Rt. 2, Box 61, Wister, Ok. 74966, is searching for the wife of Moses Barton, Sr. Her Bartons are from Winston and Walker Counties, Alabama.

GENEALOGY

This note from BARBARA PEMBERTON, 2557 Fairland Drive, Cape Girardeau, Mo. 63701:

"I vote for more genealogy in the BARTON BULLETIN. Even if it is incorrect, it is more than I know. An educated guess is sometimes all we have to go on".

This letter was forwarded on to writer from Mrs. Denis Whitfield, Rt. 1, Taylors, S.C. 29687. It was written by Betty B. Maddux, Rt. 2, Box 53D, Burnet, Texas 78611 and returned marked "Moved, Not Forwardable". This is the address on the latest mailing list of writer:

Dear Betty,

Saw your name mentioned in Barton Bulletin and wasn't sure whether you were seeking information on Henry Pleasant Barton or just making a statement when you sent in your donation.

Either way, David Jackson Barton was my grandfather and a brother to a Henry Pleasant Barton who married Jerlia Cox in Caynga, Anderson Co. Texas. Names of descendants of your or that lineage are: Dr. Julian C. Barton, 703 Nix Prof. Bldg., San Antonio, Tx 78205, a son of HP & Julia, a bachelor, and Dr. Julian's brother Charles daughter-Julia Martha Brindley, % Dr. Hanes H. Brindley, % Scott & White Clinic, Temple, Tx 76501. Julia also works genealogy, but I haven't contacted her to get

H.P.'s information.

Mrs. Elva Thornton, 209 Guadulope St., Athens, Tx 75751 is another gd of D.J. and has written a pamphlet on the Cayuga Barton's - sell for \$5 and will take you back to H.P.'s father Thomas R. and his gf David in Perry Co. Ala.

I have some Poole info - Thomas R's wife and some Rutherford into - David's wife. We are descendants of Thomas & Bethire (Williamson) Barton who was son of Thomas & Sarah (Wilson) according to Barton Blue Book, p. 8 & p. 15. Be happy to share if you are interested.

It's kinda strange being a Coyugian Barton in the mist of all the BERTRAM Bartons, but our David's brother, Elisha - to Tx by 1830 M's son, Jefferson received bounty land around Marble Falls in Burnet County for fighting in Battle of San Jacinto. Jefferson died before he received the land, but his heirs (brother & sister) came before the Bertram Bartons in 1854. That is year our Thomas R. & family came to Cayuga. Both bunches of Barton's are kin, but you have to go back to Thomas & Sarah (Wilson) Barton for the connection. Another point of interest, another brother of our David, William, to Tx by 1828 was the original owner of Barton Springs in Austin.

I'll not keep rattling on as you likely have all of this. I can fill you in past Henry Pleasant Barton m. Julia Cox, but not up to him. Would appreciate a family sheet on him if you do have one.

Good hunting,

Betty Maddux"

ELIZABETH M. GARRISON, RFD 1, Box 25, Rydal, Ga. 30171, sends this note:

"The genealogy on page 32 was very interesting since my husband, Ernest Garrison, is descended from Benjamin and Dorcas Barton's son, Joshua who married a Stephens. Joshua is my

husband's gg grandfather."

Could this be a link in someone's chain? ROBERTA BARTON INGLIS, 607 Jersey, College Station, Tx. 77840, says that her g grandfather was John Mulkey Barton, Barren County, Kentucky, b. 5-28-1821, 12th son of James Barton II and Mary Forbes.

FRAT E. DAVIS, 905 South Davis St., Sulphur Springs, Tx., 75482 did an extensive piece of research on his family, enough for a whole bulletin, but he has forwarded a condensed chart of only his BARTON line, as follows:

You who descend from Bavester Barton will be interested in this article forwarded by W. Clyde Barton of Oklahoma City. It is amazing what he still does at his age. Looks as though your work has already been done for you:

BARTON FAMILY HISTORY GIVEN TO LIBRARY

Thanks to Oklahoma City's W. Clyde Barton, another large chunk of American family history was safely stashed away this week for researchers' use in the Oklahoma Historical Society Library.

Barton tells us he presented the library a copy of a two-inch-thick notebook, indexed by sections, in which he traces the Bavester Barton family, starting with its appearance on the 1790 U.S. Census in South Carolina.

Fifteen relatives scattered nationwide contributed research on the Bartons, their 11 children and the succeeding generations. He said a library copy should be useful because many Barton descendants settled in the Chickasaw Indian nation and Old Greer and Kiowa counties in territorial days.

Barton's own parents, Mr. & Mrs. John Barton, were among the lucky 13,000 who drew homesteads in the El Reno lottery for the Kiowa-Comanche-Apache land opening in 1901. He was born in 1903 in a half-dugout on their farm near Sterling in Comanche County.

Among the many related lines settling in pre-statehood Oklahoma were ARMOR, BRATEN, BONINE, COUTS, MISENHIMER, MOON, PEARSON and POOL. For possible cousins who want to get in touch, Barton's address is 3604 NW 69, Oklahoma City 73116".

"A new cousin discovered - FAYE FERREE, Campobello, S.C., the daughter of Carrie Barton, the daughter of John G. Barton and Nancy Goodlett Barton. She grew up less than one-half mile below Tyger Church, Hovey Barton, Frank's father, was one of her brothers".

JOHN VINCENT, Apt. 22, 2307 E. 2nd, Bloomington, In. 47401 gives his line of descent thus:

- I. John Vincent
- II. Jack Vincent
- III. Oma Lee Barton m Bertie Lee Vincent

- V. Joseph Wade Barton m. (1) Nancy Ann Hardy
(2) Louisa Bowden

Dear Thelma,

"How to fire up interest in a family reunion, particularly in the 'young' cousins, is a very complex problem with many reunions.

—Self Analysis—

At what age do we become interested in our roots? Who we are? Ancestry? At what age do our ancestors become interesting rather than, "I don't (didn't) know those people"?

At present I am closing in on my 43rd birthday. When about 37 or so I started asking questions about my grandparents, great-grandparents, etc. I don't recall why I started asking, only that I wondered why I didn't start earlier.

To my amazement, I found frustration around every corner. The lack of pictures, information & human interest stories flabbergasted me. It was then that I started to realize how 'our' Barton clan had drifted apart.

For example: My father, Roy (NMI) Barton, b. Dec. 10, 1918 - d. Nov. 11, 1946 (plane crash), never saw his grandparents, James F. & Elizabeth Connell Barton. Both passed away in the early '30's. Roy was born & raised 250 miles from his grandparents home! Yet, neither he or his brothers or sisters had ever visited the James F. Barton homestead or grave sites. I still find this hard to believe. They could not even tell me for sure where their grandparents were buried.

One of my aunts remembered her father speaking of his grandfather, but could only recall the name Alex (Alexander (Alex) Madison Barton).

So, you see, I had very little to work on. I didn't know where or how to start.

Then about 4-4½ years ago, my wife, Rita F. CRAIN Barton, started researching her family & took a short course in genealogy at a local college.

With her persuasion I reluctantly went with her one night to the library. I assure you, not expecting much, but lo' and behold — Eureka! Because so many Bartons before me had taken an interest, so much information came easy.

My biggest regret and I can't express it enough is that, I didn't get interested before I did. If only 10 years before. So many cousins have passed on in the past 10 years, some I would have dearly loved to talk to.

If only there were some way to get that message across to the younger cousins. LOOK NOW! ASK QUESTIONS NOW! In 10 years, more cousins will pass on and with them priceless information and any number of human interest stories.

Enough of that and on with the problem (1) One thing that will draw a lot of younger folks is - WATER. Reunions held on lakes nearly always draw large turnouts. (2) An area with amusement parks near by work well. (3) Any area near the reunion for the youngsters to "hang out", yet still be part of the reunions. Tygerville's main attraction I would think would be all its history. (4) The pace of a reunion is important. Example: the gathering & signing in, opening ceremonies, business, all these things are important, but should go as smooth & quickly as possible. (5) Give younger cousins more responsibility. An excellent example is Mr. Frank Barton, Jr.

Of course the hard part & secret to the whole thing is getting them there the first time. Then seeing to it they enjoy themselves enough to WANT to come back.

Having never been to Tygerville, I can't possibly know what problems there might be. From what I read & see in THE BULLETIN, it all looks good to me. Makes me wonder if economics doesn't play a good deal in the problem. Perhaps a bi-

yearly reunion might be more desirable. Whatever the solution, I hope someone comes up with it.

My goodness, I didn't intend for this to be so long, but before closing I would like to add: I am presently toying with an idea of a "Hugh Texas Barton Cousins Round-Up". If any Texas Barton cousins out there 'take a cotton' to this idea, please contact me.

Thank you & God bless one & ail.

Respectfully,

Johnny Lane Barton

MRS. STEWART

Have received Index, Newsletter and letter from PEGGY M. CARTER, Chairman Historical Committee, Barton Family Association, 920 Corning Rd., Knoxville, TN 37923. The Tennessee group have done extensive research on their line and have come up with ISAAC and SARAH VESSEY BARTON who came to Pennsylvania from Ireland in 1714. With them came three children, Abraham, b. 1706; Isaac, b. 1708 and Elizabeth, b. 1710. Jacob, Joshua, Mary and Benjamin being born after they came to this country. Mrs. Carter said she would be happy to help anyone who had queries regarding these.

Her index is well done and easy to locate persons you may be looking for. There may be copies available. I paid \$2.50 for the copy which I received.

She reported a great reunion in 1984 at Pine Oak Lodge, Natchez Trace State Resort Part, Wildersville, TN 38388 where this year's Tennessee reunion is to be held again. (Notice elsewhere herein).

This note came from W. CLYDE BARTON, 3604 N.W. 69th St., Oklahoma City, OK 73116:

"--Also I am enclosing a reproduced copy of an unusual situation letter from China. Our son, W. Clyde Barton, Jr., as 1982 President of the International Society of Petroleum Engineers, was in China delivering several speeches in the oil producing areas. The man who wrote the letter, Mr. Martin, was in the audience at one of the meetings, and the letter was the end result. My son sent the letter on to me, knowing I was interested in genealogy. I am sending a copy to Mary Ruth Barton in Ithaca, N.Y., just in case one of you might find a clue for some unknown Barton connections. The information in the letter is too vague to amount to much, but maybe it is worth reading:"

Mr. W.C. Barton, Jr:

I remember a Clyde Barton who I think was my great uncle. Seems to me he was married to one of the sisters of my gran-

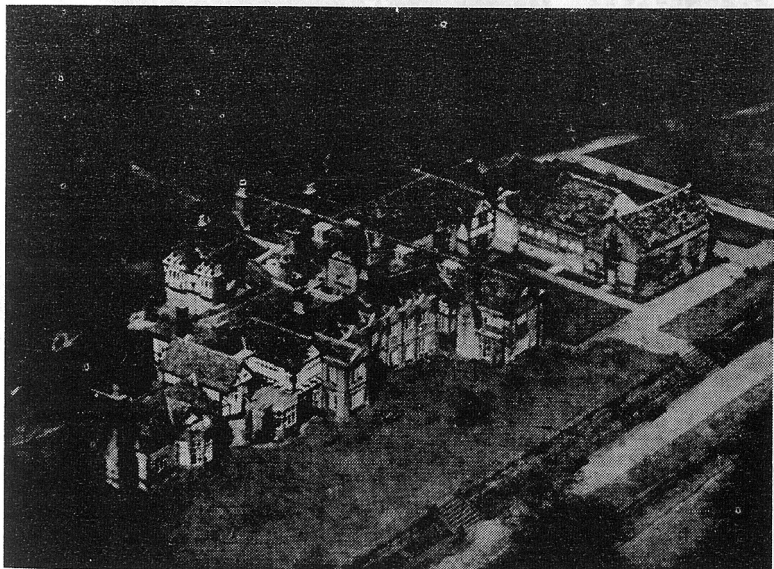

dfather, Ed Logan of Tuscaloosa, Ala. But then again he could have been related on the side of my grandmother, Sadie Wood Logan of Tuscaloosa. If you're related to that Clyde Barton, a family reunion is in order. In any event, I wish you a pleasant stay in Peking.

Sincerely,

Bradley K. Martin, Jr.

THROUGH her Lancashire antecedents, many people today descended from the Lancashire gentry can claim kinship to our future Queen. When in the seventeenth century, Grace Barton, of Bolton's Smithills Hall, crossed the Pennines to marry into a famous Yorkshire family, she took with her a pedigree which stretched back to the Norman Conquest. The Royalist whom Grace married was heir to Viscount Fauconberg but died during his father's lifetime. The couple had seven sons and seven daughters, the eldest marrying Oliver Cromwell's fourth daughter, Mary. The Belaysse family were adept at political and court manoeuvres and married well, but none of these forbears would probably have anticipated a future Princess of Wales.

KEY GRIPE. Mayor Larry Barton of Talledega, Ala., presented former Miss America Vanessa Williams the key to the city when she took part in the Christmas parade in December. Now he wants it back. 'This is not the kind of person I want to have a key to my city,' he said of Miss Williams, who gave up her crown after sexually explicit photographs of her were published".

OTHER BARTON REUNIONS

1985 BARTON REUNION

March 5, 1985

Now that the snow and cold have gone it's time to start our plans for the 16th Annual Barton Family Reunion.

Date: Friday, August 2, 1985
Saturday, August 3, 1985

Location: Pin Oak Lodge
Natchez Trace State Resort Park
Wildersville, TN 38388
(Exit 116 off I-40
between Nashville & Memphis)

Now for some good news! The lodge rates have not increased and are available at \$40.00 plus tax for the first person, and \$15.00 plus tax for each additional person. These prices include dinner on Friday evening and breakfast Saturday morning.

Cabins are also available - \$42.50 per night plus tax. Sleeps six. There is a \$5.00 surcharge if cabins are rented for one night only. Dinner and breakfast are not included in cabin rates. Camping areas are also available. Inquiries for camping should be made at the lodge.

You are to handle your own reservations. Arrangements are to be made directly with the Lodge, (901) 968-8176 and need to be made no later than May 25. One night deposit is required in order to hold your room for Friday and/or Saturday night. The amount depends on the number of persons per room. Your deposit will be refunded if requested up to two weeks prior to reservation date.

If you plan to come on Saturday only, try to arrive as early as 10:00 a.m. This will give us time to visit in a private room. If you are spending Friday night at the Lodge, in a cabin, or camping,

you will automatically have a reservation for lunch on Saturday. If you are planning to arrive on Saturday morning, let me know in order for us to advise the Lodge to reserve lunch for you. I'll need to know by July 20th in order to plan our lunch. Lunch will be at noon and will cost approximately \$5.00 plus tip, per person. We'll pay/tip for lunch as we leave the dining room.

Our business meeting will be held immediately after lunch.

Yearly dues are \$5.00 per family, and will be paid at the meeting. If you will not be able to attend, dues can be mailed to Cissy Eckert, Treasurer, 4611 Wye Wye Lane, Knoxville, TN 37920.

IMPORTANT - Our mailing list has grown to 105. However, a few on our list have not responded in the past three years, either by attending our Reunions, or letting us know they are interested in receiving our Reunion notices, even if unable to attend. Recent increase in postage and printing costs have forced us to cut our mailing list to include only those that have either paid their dues, *or* who let us know they want to continue receiving our mailing. I'm sure you understand.

We had a large turnout in '84. Let's top that mark this year, and enjoy some time together as a family of Bartons. **PLAN TO ATTEND AUGUST 2 and 3.**

Sincerely,

Bob Logan

1985 BARTON REUNION

DESCENDANTS OF BAVESTER BARTON

Dear Cousins:

We are planning our fourth family reunion to be held at Three Rivers Resort, Almont, Colorado on July 31st, Aug. 1, 2, and 3rd.

Our first reunions were only children and families of Sammie Glespy Barton, son of Samuel Houston Barton, son of Bently Barton, son of Bavester Barton, of whom we all are descendants. At our reunion in 1983, we met our Cousins Clyde and Hazel Jean Barton from Oklahoma City whom we enjoyed very much. Clyde and my daughter, Sharon Howard (who has been working on the Barton genealogy since 1980) have been corresponding and sharing Barton history for some time. Through Clyde, we find we have many Cousins in this area so we would like to invite you to join us on all or any of the days of the reunion.

We had our 1981 reunion at Three Rivers Resort and found it to be a beautiful place for fishing, hiking, swimming and evenings around the campfire. So plan to join us.

I am enclosing information. Please make your own reservations. Ask for the Modern Cabins for the Barton Reunion. These are two bedroom cabins (doubles) with bed sofas in the living room. The cabins are fully equipped. We usually do our own cooking, sharing, eating out at nearby restaurants, and just enjoying ourselves.

Plan to bring your old family albums, memorabilia, etc. to share, this is the time to talk about our ancestors and to learn about family history.

Please invite your families, I am sorry I do not have their names. Just please return the form at the end of this letter so we can expect you. So make your reservations early, this is a very popular place and we don't want anyone disappointed. If you have any questions please write or call me. I am really looking forward to meeting all of you!

MARY SAMUELS TIFFEE, Rt. 2, Box 61, Wister, Ok. 74966, writes about another Barton Reunion which she will be attending at Creekmore Park in Ft. Smith, Ark., June 15, 1985 at 11:30 A.M. - 7:00 P.M., Rose Room, pot luck. She was told there were about 250 in attendance last June.

Someone called and told about one in North Carolina near Murphy or Franklin at which there were some such number. I didn't get the details; they said that is was mostly one line and most of them from Georgia. Wish had gotten all the information down. BARTONS, BARTONS, EVERYWHERE, EVERYWHERE!!

"BARTON BLUE BOOK II"

As all of you know, our own MARGARET McCABE who had a profound interest in Genealogy, especially in her Barton Ancestry, was not happy with "Barton Blue Book I" as so many families were incomplete (Cousin Jason could never have produced it had he waited until he had opportunity to complete all lines which would probably have been impossible for anyone to do, so she set out several years ago collecting materials to bring it more up-to-date. She said she intended to call it "Barton Blue Book II".

Some of you have already learned that Margaret died October 18, 1984. In an 8 page letter from her dated September 13, 1984, she said that the carpenter was coming September 26th to start her genealogical office; that she was running off 700 copies of a letter to send out urging more people to send in updated records. She had told of doing this several times before with no response from some, which grieved her much.

The officers of the Barton Historical Society in South Carolina got together (by phone) and called wanting writer to contact Mr. McCabe to work out something about getting the volume completed. Your editor called Mr. McCabe to that effect and he said he was leaving it up to the children; that they would be visiting him the following Sunday and that he would take it up with them. Your editor called him again sometime later to determine what decision had been made about the book, and he said that they had decided to just "let be" so to speak, for the time being.

A lot of inquiries started coming in after information of Mrs. McCabe's death became known, so the Society got together again by phone, letter and contact and constructed the following letter, which was forwarded to Mr. McCabe:

Dear Mr. McCabe:

Recently we have had a number of inquiries concerning the status of THE BARTON HISTORY that Mrs. McCabe was working on before her untimely death.

Since there is still a great deal of interest in getting the history done, we are wondering if you or any of your family members plan to complete it in the foreseeable future? If not, would you please let the Historical Society have materials that were loaned to Mrs. McCabe by various family members so that might possibly get someone to complete the work? Certainly, we do not ask for any work that has been completed by Mrs. McCabe unless you would like to let us have it.

If you elect not to render the information to us in our effort to have the work completed, will you please send back the information loaned by the various individuals to them? We have had a goodly number of our group to express a desire to get documents and information returned since there is no way that these could be duplicated. Also, I am sure that you know that a great deal of research and money has gone into procuring this information. We feel a great responsibility in this matter since we strongly encouraged all of our members to supply information, if possible, to Mrs. McCabe in her endeavor.

Please know that we do not wish to work a hardship on you and we will be happy to assist you in any way we can. It is possible that we might arrange to get some members in our group to come to your home to pick up the material if you wish to let us have it.

We trust you understand our position on the above and we look forward to hearing from you at your earliest convenience.

Respectfully yours,

March 27, 1985

Dear Mrs. Stephens,

My father, Brice E. McCabe, forwarded your letter to me, regarding the research materials on the Barton Clan. Following my mother's death, we packed her genealogical papers away and currently have them in storage. Neither my father nor I recall anything in those papers except letters and mother's notes. I also consulted with my sister and she knows of nothing either. If you could give us a better idea of what to look for, we will make an effort to locate the material belonging to other family members.

Are we to look for books, manuscripts, or just what? Also, please realize that with these papers in storage, the recovery may be somewhat delayed.

As far as the main body of mother's research, at this time we plan to keep them. My sister and I are both too busy with young families and businesses to become involved right away. However, we both feel that the effort mother put into this should not be wasted. Also, my brother-in-law is interested in the material. If, at a later date, we decide not to pursue the project, we will gladly pass the work on to another interested family member.

I will await your response as to the nature of the material you seek. Thank you for your concern.

Sincerely,

Anna McCabe Valdivia

Dear Mr. McCabe:

You may recall, I telephoned several days ago about the genealogical information collected by Mrs. McCabe.

I am a descendant of this Barton line and have a deep interest in the material. I would like to see it preserved and published in the near future.

I am 47 years young and hope for a long life ahead. Should something happen to me prior to any published works, my estate papers already have instructions to donate my present Barton Collection to the Furman University in Greenville, South Carolina for preservation and use by all.

I would be most happy to pay the postage on this delivery. If you wish to discuss this matter further, please feel free to call me collect at (408) 373-7590 after 6:00 p.m. Thank you.

Sincerely,

Robert H. Barton

Dear Mr. Barton

My two daughters & one son-in-law are going to keep all the information that my wife collected. There are 2 filing cabinets full, plus some in boxes. They are not going to do anything with it at the present.

Sincerely,

REPORT ON TEXAS BARTONS

MRS. ERNEST F. BARTON, 4224 Mitchell Road, Waco, Tx. 76710 sends us some news of Texas Bartons. She said that she had not been well for a couple of years, the last bout being with pneumonia. Glad you are better now, Cousin, Maxine, and glad to have some news from Texas.

She gives us these bits and pieces:

"CLARA BARTON WOOD and her husband, Steve, should be celebrating their 54th Wedding Anniversary this year. They have built a winter home in Hachita, New Mexico.

LEE BARTON BORGIASZ and her husband, Bill have moved from California to Sun City West, Arizona.

As to my children: BOB, BRENDA and IVY are still at 5 Lake Rd., Peekskill, New York. Bob is a psychianalyst and Brenda is a C.P.A. Ivy played field hockey for Henry Hudson High School this year and she was on the girls Varsity basketball team. She is a sophomore. At spring break they all went to the Poconos in Pennsylvania, where Ivy enjoyed skiing, but I believe Bob and Brenda stuck to things like swimming (in an indoor pool), tennis, racquet ball, etc.

LECY, TOM and ROBERT are back in San Antonio. You can't keep these Texans out of Texas indefinitely, and of course they couldn't leave Robert even if he was born in Tennessee (like his grammy). He is nineteen months and talking. He's been walking quite some time. How Ernest would have love him! His Uncle Bob thinks he's pretty swift too. The Benke's new address:

Mr. & Mrs. Thomas P. Benke

San Antonio, Texas 78217

We thought we might get to the Tennessee Barton Reunion this past year, but things didn't work out. A good friend, Sue Bigham, from Waco (descended from the Lt. David Barton family) has been and learned quite a bit more about her family.

In the times between having my 'toes turned up', I did get to Memphis in May for my 50th high school reunion, and in September to a reunion of my grandmother Barron's family (originally from Rock Hill, S.C.) and for the Sesquicentennial celebration of the little Presbyterian church in Fayette Co., Tn. My grandfather Ivy's parents came there in 1837 from Weldon, N.C. (Robert Mecklenburg William (!!)) Ivy and wife Lecy).

Hoping the reunion this year is just as super as always.

I heard on TV (PBS) that a song has been written about the beauty of Barton Springs, in Austin, Texas".

Re: The Barton Bulletin of the Barton Historical Society, Inc.
ISSN 0882-0791

Dear Publisher:

The publication named above was recently brought to our attention, and we take this opportunity to introduce our program. The National Serials Data Program (NSDP) is responsible for the assignment of an International Standard Serial Number (ISSN) to every serial published in the United States. The ISSN is an internationally accepted eight-digit number which serves as a brief, unique, and unambiguous identification code for serials.

Although any serial may be assigned an ISSN at the publisher's request, we also accept requests for assignments from libraries, subscription agencies, and abstracting and indexing services--all of which handle large quantities of serials and are concerned that they can be easily identified. We learned of your publication through one of these sources.

We therefore ask that you begin printing the ISSN above on all future issues of your serial. The preferred location for printing the ISSN is at the top right corner of the cover, but the masthead or elsewhere is acceptable. In case you have not noticed an ISSN on a publication before, you might look at the cover of Publishers Weekly or the mastheads of Newsweek, Time or U. S. News & World Report.

The enclosed brochure provides further information about NSDP and the ISSN, including use and advantages of the ISSN. Also included is an application for you to use or duplicate to request ISSN for other serials which you may publish. Please note that a sample issue or a photocopy of the cover, title page, and other front matter should accompany all ISSN requests.

Thank you for your cooperation. If you have questions or suggestions, or if we may be of additional assistance, please let us know.

Sincerely,

A handwritten signature in cursive script, reading "Linda M. Houston".
